A floating  
astronaut

The illustration shows a stylized astronaut floating in space. The astronaut is wearing a white spacesuit with blue and red accents, including a blue wristband, a red strap across the chest, and purple patches on the legs. The astronaut's right hand is visible, and their legs are bent. The background is a dark blue space filled with three yellow stars. The title 'A floating astronaut' is written in black text inside an orange oval on the astronaut's chest.

baby

Fancy that!
